

Administrators -

Must meet the same eligibility requirements as a user, in addition to the following:

1. Complete a BI investigation type. This is more comprehensive than the NACI investigation type conducted for general users;
2. Complete the required 8 hours of annual security training (24 hours of initial training or security certificate) per the Security Education, Training and Awareness Program (SETA);
3. At this time, it is desired, but not yet mandatory, for all administrators to have a CAC;
4. An Administrator shall not be a Foreign National (FN).
